

**Headteacher: Mrs Lucy Anderton**

31 March 2020

Dear Parents

As you are likely aware from the government statements, families receiving Free School Meals are able to access support during the current crisis. Solihull Catering now have this service up and running: you do not need to have your child currently attending school to access this.

The meal will be in the form of a packed lunch which should be collected from school each day at 12.30pm.

If you wish to order a packed lunch for the rest of this week for your child, please email or telephone us with your request before 9.15am tomorrow morning. If you only want these lunches on certain days, you must telephone or email school with your order by 9.15am on the day in question. Please find the menu for this service attached. There are two choices each day so please let us know which choice you wish to order.

Please remember that if you are currently in isolation, you should ask someone else to collect your lunch for you.

Yours Sincerely

Mrs L Anderton  
Headteacher

**Friends, Faith and Lifelong Learning**
